First, it will be helpful to access the full code repository for this workshop. There are a couple ways to do this.

1. **Fork the repository on GitHub:** Go to the GitHub page for this repository: https://github.com/swforrest/ESA2025_animal_movement_workshop
2. **Download the repository as a ZIP file:** You can do this by clicking on the green “Code” button at the top right of the GitHub page and selecting “Download ZIP”. Once downloaded, unzip the file to a location on your computer where you can easily find it.
